Re: Correction to written statement supplied 19 August 2005

Pages: 2 (including this one)

Dear Sir,

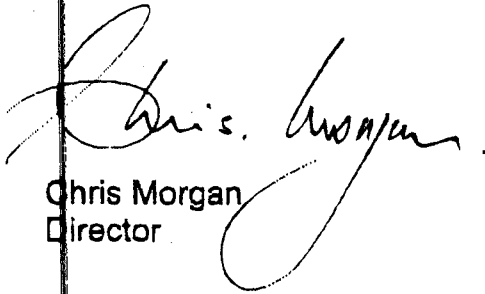

Inaccuracies in today's Courier Mail coverage (Page 1) of the first day of the enquiry has prompted me to review those individuals who attended the first meeting of councilors and candidates at our Robina offices.

In my written statement to you of the above date I made reference on page 4 point(iii) para two that " Attending the meeting were Crs Power, Sue Robbins, Shepherd and La Castra. Candidates comprised Pforr, Betts, Scott, Molhoek and Rowe."

This statement is incorrect in that Cr La Castra did not attend that meeting and this is an error on my part. In retrospect I believe Cr La Castra may not have even been on the Gold Coast at that time and I attach email advice from Cr Power dated 15 December 04 advising who the attendees at that meeting were to be. This email, already supplied to you, confirms that Cr La Castra "is away".

My apologies for this inaccuracy.

Yours faithfully

Chris Morgan

I have requested the amps and will get them to you asap tomorrow. Hopefully they will be on disk. Polling booths are yet to be confirmed but we can work off the last election as there will be little if any change. I will have them tomorrow as well.

See you then

1. Could you provide me with a list of people attending and... 2. Is it possible to get the divisional boundary map today/tomorrow? I need it urgently to further discussions on the research base & Bulletin.
