Hi All,

To evaluate your individual requirements, check planning notes and consider the extent of resources available, **the next meeting has been scheduled for 8.30am Thursday 8 January at Quadrant's offices.**

In the event that this timing is inconvenient to anyone, could you please email or call me on 0438 789 433.

Best wishes and compliments of the season.

Hi Brian,

Revised artwork attached for your approval. Looks good.

I think you'll find we have covered everything including the couple of typos, however either way could you please call me either at the office this evening or if no response on mobile. Any corrections I'll pass on to our studio and we'll supply material direct to Dave at Fast Proof tomorrow.

Just a point - the art files you have supplied have all been prepared in InDesign format rather than Quark format, the industry standard. Hopefully this won't create a problem with Fast Proof and our Production Manager will call them to check.

Talk to you soon.

Regards

Let's put the jigsaw back together
– The 'big picture' is important too!

The Gold Coast is like a jigsaw puzzle made up of 14 pieces, the 14 Divisions which make up the Council. In choosing to nominate as a candidate for Division 5, I do so with a guaranteed passion for the jigsaw piece that is made up of the local communities of Division 5. You can be assured the local area will always remain my premier concern as a Councillor.

However, I also give you a guarantee that I will devote energy and effort to bring together the 14 individual people responsible for these 14 individual jigsaw pieces and then seek to carefully re-construct the 'big picture' which has become fragmented and of which we appear to have lost sight. More importantly now than at any time in the Gold Coast's history, I believe we are desperately in need of representatives who are prepared to systematically and methodically see and create the 'big picture' that is the Gold Coast City. In this 'big picture' mode we must have our representatives working less as individuals and more as a cohesive team and thus, through consultation, bring better services to you the community.

A message from Brian Rowe to the Electors of Division 5

Endorsements

When you go to the polls on **March 27**, to elect your Councillor for Division 5 for the next four years, please consider your options carefully, for the sake of our lifestyle, the future of our children, and for the future of the Gold Coast.

Division 5 needs an energetic, committed Councillor who will represent ALL the people in the area.

Division 5 must have a Councillor who can balance the needs of the residents and their immediate communities with the demands of the greater Gold Coast.

You can certainly be assured of my passion when dealing with local issues and needs, but, I will also bring an understanding that Division 5 is one of the 14 jigsaw pieces that make up the total Gold Coast picture, and we need to put the jigsaw back together. This 'big picture' is important too. A prime example is the current water problem! It is obvious the Council has not planned well enough in this 'big picture' issue which affects all Gold Coasters.

Given my background, it is no surprise that the needs of today's young people are also very important to me. If these needs are met, the community of tomorrow will be in good hands. To do this, infrastructure must keep pace with development. Sports facilities, sports grounds, recreational facilities, playgrounds and youth clubs are all pivotal to this end. It is no good coming back after the event and trying to pick up the pieces.

A vote for Brian Rowe on March 27 is a vote for someone who is passionate about the local Division 5 community. Also, importantly, it is a vote for someone who is concerned about the forward planning and forward movement of the whole Gold Coast in general.

In all the time I have known Brian his infectious enthusiasm has not waned. Brian is passionate about his work and has that rare ability to infuse that passion into others. He has wonderful people skills and this combined with his incredible drive and honesty will place him in high demand as one of our community leaders. His decision to nominate Zfor local government is a huge plus for our community and I for one applaud his decision.

Good on you mate!!!

Col Elliott

Australia's Resident Funnyman

I can think of no better person to look after the welfare of Division 5 residents and business owners. With an uncanny knack of being able to relate to people from all walks of life, Brian Rowe's reputation for fairness and hard work will stand him in good stead for the job ahead. The communication skills he displayed in his football coaching career, and more recently in his role as foundation Headmaster to Saint Stephen's College, eminently qualify him to succeed in the local government arena, and it is a challenge I am sure he will relish.

David Treacher

Past President, Merang Chamber of Commerce

Brian, your call of support to our school in the last week of term 4 following the 'smoke bomb' incident that marred our 2003 end of year celebrations was truly appreciated. Also appreciated is your vision to work collaboratively with school communities to ensure that youth in this area have secure, well run and self sustaining venues for healthy and constructive sport, leisure and recreational activities. This has great merit. Good luck in the upcoming election.

Gayle Alessio

Principal, Overford State School

Brian Rowe comes with a wealth of experience in administration and people skills. He possesses the drive and commitment needed in the job as Councillor. I believe Brian has a great affinity with people, both young and old, which is so critical in the process of consultation. He also brings over 20 years involvement in the local community and is passionate about the Gold Coast. **We need him in Council.**

Colin Kleinschmidt

Division 5 Councillor for 18 years. Deputy Mayor for 7 years.

Brian Rowe is a man dedicated to the Christian principles of honesty and integrity, and is well respected by those in the community who have met him. Brian's dynamism and commitment to the service of others, particularly to families and youth, are qualities that would be put to good use as a Gold Coast Councillor. I commend Brian to the residents of Division 5.

Hi Brian,

On Wednesday evening next from 5.30 thru 7.30pm Lionel Barden and I will be conducting a briefing session on the Do's and Don'ts for first time Booth Captains. Kind of a 'train the trainer' session. On the day pointers will also be available.

Location is the Lakelands Golf Club, Gooding Dr Merrimac.

If you would like to have your key people participate could you please let Dana here at Quadrant know by Friday so we can plan numbers for the session.

Looking forward to hearing from you.

Hi Brian,

Need your assistance please - we are still not over the line with the required contributions promised to the Trust.

A number of potential contributors have requested they meet with individual candidates before sending a cheque. The other new candidates will be attending a brief briefing session on Thursday 25/3 between 4PM and 5PM at the Innovation Showcase Building (the old Terminal 3 building at Coolangatta Airport) hosted by Lionel Barden.

Can you spare an hour please? At present we have been placed in the situation of underwriting the campaign and I am very keen to ensure that the balance of funding is confirmed before the weekend. Could you call me soonest please.
