Chief Executive Officer  
Gold Coast City Council

Dear Dale,

It has been brought to my attention that I may have inadvertently not included some non-financial electoral support in my return of Local Government Electoral Gifts Register, which I furnished to you in June 2004. Accordingly, I wish to amend my Form 1 Declaration to include an in-kind gift, represented by a large mobile sign and some time spent towing the sign around districts of the Gold Coast, to the value of between \$20,000 and \$40,000. I paid for the sign writing and for another full time driver over three weeks.

I also produced 100 rubber decal signs that I supplied to supporters and friends to the value of \$1500 for them to display on their private vehicles. As a matter of prudence, could you please make these changes to my declaration for the 2004 election as a matter of urgency.

Yours sincerely

RON CLARKE

Mr Dale Dickson  
Chief Executive Officer  
Gold Coast City Council  
135 Bundall Rd.  
Surfers Paradise 4217

Dear Dale

I wish to clarify my earlier memo which I sent to you as a result of the Australian newspaper story today.

During the election campaign it came to my attention that Mr Tony Stephens had an existing mobile sign that could be utilised for my electoral campaign. The matter was discussed and a commercial contract was entered into whereby I paid for the artwork necessary to have the existing sign converted to a sign advertising my mayoral campaign. I also entered into a separate commercial contract to have an independent driver drive the sign around the Gold Coast.

As the above were normal commercial arrangements, bought and paid for, there was no implication for my electoral gifts register.

Mr Tony Stephens took it upon himself to drive the sign around the Gold Coast over and above the commercial arrangements outlined above. I was, and still am, unaware of the extent of this "support" provided by Mr Stephens. I have amended my electoral gifts register to record an estimated value of this support.

I would like the record to show that I was not aware of the extent of the support provided by Mr Stephens. As far as I was concerned I had bought and paid for the electoral assistance (advertising) provided by Mr Stephens.

Yours sincerely

RON CLARKE  
MAYOR

I apologise for the last minute amendments.

2. A Mr Bernie Hatton of Top Rider Motorcycles, drove me around the polling booths and loaned me a helmet on Election Day. This gesture may qualify as an "in kind" donation and, as such, should be added to my statement of assistance.

1. The proprietors of Darlington Park Raceway offered to provide free days to any of the persons who assisted my campaign on electoral day by volunteering to man polling booths. As Darlington Park has been closed ever since for random usage, these offers may not eventuate but, nevertheless, they were made in good faith and this perhaps should have been recorded in my disclosure.

These are:

This means, if possible, amending my previous "nothing to declare" statement.

I have been reminded of two areas of in kind assistance at the end of my recent campaign for election as Mayor that I believe should be registered.

**INTERIM\*/FINAL\*RETURN**

**General information to assist successful candidates in local government elections, complete a return of election gifts form (LGE GF 1) required under the Local Government Act 1993**

**Final Return**

All candidates must submit to the Chief Executive Officer (CEO) of the relevant local government, within three months after the conclusion of the election, a final return of gifts received in the approved return. The return can be given or posted to the CEO at the address of the local government's public office. Nomination deposits (\$150) will be refunded at the conclusion of the expiration of the 30 day disclosure period following the declaration of the election and upon receipt of the final return of election gifts required under the Act.

**Final or Interim Return**

Prior to making the declaration of office as a Mayor/Councillor, all successful candidates must submit a return of elections gifts to the CEO. The return can be a FINAL RETURN or an INTERIM RETURN. Interim return - may be submitted to the CEO if the successful candidate does not have all the information regarding gifts readily available prior to taking the declaration of office. The successful candidate would however, need to ensure that a final return was submitted within the three month period after the conclusion of the election.

Final return - alternatively, if the successful candidate is confident that all the information regarding election gifts received is to hand and accurate prior to the taking of the declaration of office, the successful candidate may submit a final return to the CEO. The final return must state that the candidate does not expect to receive any further gifts in the disclosure period and will give a further return if gifts are received.

NB. If gifts are received as an individual candidate (including the individual's campaign committee), or as a member of a group of candidates (including the group's campaign committee), the successful candidate must complete both Sections B and C of Local Government Election Gifts Form 1.

**Other relevant information**

**Amending a Return**

Section 432 of the Act allows a person who has submitted a final return to apply to the CEO at any time to correct an error or omission in the return.

**Required Information**

A person who suspects or believes that a final return has an error or omission may inform the CEO of their suspicion or belief. The candidate making the return will then be advised and must, within 30 days, establish if the return needs to be amended and apply to do so in accordance with Section 432 of the Act. If a candidate is unable to supply all information to complete a final return, the candidate must state in the certification of their return, where and why the return is deficient and who may be able to supply the missing particulars.

Information relevant to such a return that comes to the attention of the candidate within five years after the conclusion of the election must also be given to the CEO in accordance with Section 438 of the Act.

**Inspection**

Section 434 of the Act provides that all final returns will be kept in a Register of Electoral Gifts which is open to inspection by any person.

**Important Note**

Substantial penalties apply for failure to lodge a return or if the contents are false or misleading. Persons completing disclosure of election gifts forms are strongly advised to familiarise themselves with the definitions and provisions of Chapter 5 Part 8 of the *Local Government Act 1993* and/or the contents of the Queensland Department of Communication and Information, Local Government, Planning and Sport's Handbook on the "Disclosure of Election Gifts".
