**Rob Molhoek's
CAMPAIGN LAUNCH**

EXHIBIT No. _____
CLERK

Parkwood, Arundel, Biggera Waters, Labrador

Hardly a week goes by when there isn't criticism of our city's council and counsellors!

While many of the issues are complex and the solutions are not always straight forward I believe our city would benefit significantly from a more business-like and "whole-of-city" approach to the decision making processes. Leadership and vision are what are needed to take this city forward and deal with the many challenges created by our spectacular growth.

Having grown up on the Gold Coast I have a passion to see our city emerge as one of the greatest cities on planet earth, we need to maintain our lifestyle and quality of life so that our kids and future generations can also grow up as we have.

As local candidate for Division 4 in next year's local council elections I am committed to constant improvement of our city, maintenance of our quality of life and better planning for its future.

I would really appreciate your support and encouragement.

Rob Molhoek
