CRIME & MISCONDUCT COMMISSION
No. 2005-5 Date 14 Nov 05

IN THE MATTER OF:

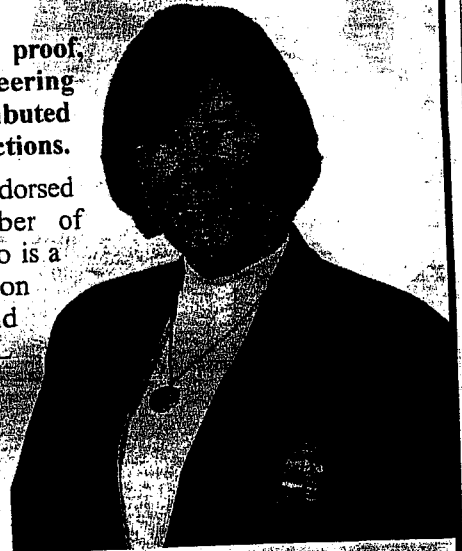

OP GRAND

EXHIBIT No. 218
[Signature] CLERK

You'd better believe it!

And if you need conclusive proof, check out the electioneering material that is being distributed on the eve of the council elections.

Dawn's opponent is being endorsed both by the State Member of Parliament Peter Lawlor, who is a member of the left-wing faction of the LABOR party, and Steve Ciobo, a LIBERAL Federal Member.

What is going on?

The fact is, the major parties want to dominate the Gold Coast City Council, and they are prepared to fight for it, but on THEIR terms.

The independent and outspoken Dawn Crichlow is a thorn in both their sides, and both parties want her out.

What are they going to do next? Send Dawn to jail?

The irony of all this is that Dawn's naive opponent is just a puppet in a power play plot.

Tomorrow, retain your independent voice in Division 6

Re-elect Dawn Crichlow!
