Subject: UQ Academy Scholarships

Hi Eric,

Ken Freer has asked for me to contact you to arrange payment for the UQ Academy Scholarship Program. My understanding is that the QRU will pay you \$200,000 from the funds received from the State Government.

The QRU Finance Sub Committee have approved for the total amount of these funds to be paid in the current financial year which closes on the 31 December 2008.

Can you please arrange to have a tax invoice sent for \$100,000 payable now and then a second tax invoice for a further \$100,000 payable on the 15th of December 2008.

If you have any questions please let me know,

Regards,

Scott Eisentrager
