WE MAKE QUEENSLAND

SAFER...

by

- Targeting high-threat criminal networks and disrupting drug trafficking syndicates
- Monitoring activities of outlaw motorcycle gangs and other organised crime
- Targeting industry professionals who facilitate the activities of people engaged in organised crime
- Identifying and arresting people who create and share child exploitation material online
- Keeping witnesses safe so evidence against criminals is provided in court.

FAIRER...

by

- Pursuing corruption in the public sector involving excessive use of force, misuse of confidential information and fraud
- Seizing cash and assets gained illegally and returning them to the State
- Reforming the police complaints and discipline system
- Ensuring independent oversight of decisions and penalties relating to police misconduct
- Delivering initiatives to prevent high-threat crime and corruption.

ACCOUNTABLE...

by

- Enabling citizens to report suspected corruption to an independent body
- Recommending criminal and disciplinary charges against people for crimes and corruption-related matters
- Overseeing how public sector agencies conduct internal complaint investigations and by conducting audits
- Holding hearings where witnesses must answer questions relating to major crime and corruption investigations.
