

**How to vote for a fresh voice
for our community**

- 3 IRELAND, Sheila
- 1 **CONNOR, Jade**
- 2 BALDWIN, Darren

I'm running and asking for your help because I am part of our community and I want to give something back. Our area is great now and I want to help keep it that way.

Council hasn't had any competition for many years and is losing its way. Our current Councillor has been in for 12 years, and now no longer lives in our division (living in Raceview). I've got skills and experience in public policy and communication, I currently work for Brisbane City Council, and I've worked for a Councillor. Therefore, now is a good time for us to choose the next generation of Councillors who are focused on the future.

After 12 years, is it time for a fresh voice on Council?

Cost of living - pay down debt gradually

Keep rate\$ low

Double Council mowing in summer

Upgrade Redbank Plains Reserve park

Pushing to move jobs closer to us – private sector and government

Working with families, kids and police to reduce crime

Against outsourcing that hurts wages & families

Ipswich NOT for SALE

Stop missing out – new community info ebulletins

Community tree planting to beautify hot and bare streets

Ending spending on legal fees to keep Councillors' expenses secret – no more wasting our money!

Commitment to transparency in Council spending and decisions

Keeping residents informed of new projects

About me

- Aged 33 and live with family in local division (unlike our current Councillor)
- Experience in public policy, communication and community engagement, so I can make sure you hear about everything and we stop missing out on things
- Experience in state, federal and local government since 2006, which means I actually have the skills to get things done (unlike other candidates who are just making lots of promises)
- Formal qualifications in public policy and communication and community engagement
- Active in community groups including choirs as a singer, guitarist, sax player and pianist

New local law making it easier for Council to clean and reduce graffiti

Residents say where footpaths, lighting and safety improvements are needed

HAVE OUR SAY initiative to make changes based on what our locals say is needed
