84
85 RS Yes I do correct
86
87 KB Can you recall what that conversation was just generally
88
89 RS Yes ah it was in relation to [sighs] matters ah particularly in ah relation to the – ah bi-
90 election that was held – in ah – ah-oo
91
92 KB January 2005
93
94 RS January 2005-09-30
95
96 KB And – on my recollection I actually outlined ah, I wanted to talk to you about that and
97 issues surrounding the bi-election in particular whether any approaches were made to any

99
100 RS Correct
101
102 KB From yourself
103
104 RS Correct
105
106 KB As I said earlier on the Crime and Misconduct Commission is currently conducting an
107 investigation, and it's spelt in the terms of reference
108
109 RS I think you said Ron then
110
111 KB Sorry

121
122 KB That's okay, I apologise if I did
123
124 RS Yeah it's [laughingly]
125
126 KB Ah as I said earlier on the Crime and Misconduct Commission is currently, undertaking
127 an investigation, that's ah, been outlined in the terms of reference which I don't know if
128 you've had the opportunity
129
130 RS [Over talking] Yes I have, yes I have
131
132 KB To read at all so you understand what the nature of the enquiries are
133
134 RS Correct
135
136 KB Perhaps if I can start off – during the [sighs] March 2004 elections held on the Gold
137 Coast here, did you have any knowledge of a campaign fund, for, certain candidates, that
138 were running, in that March election
139
140 RS Yeah none whatsoever I didn't have any ah, ah knowledge or ah involvement in 2004, ah
141 local government election campaigns, at all in terms of ah, it was probably of no interest
142 to me, I had just completed, a State election in the February of 2004 where I'd run, ah for
143 the State seat of Gaven, under the Liberal Party banner and had been unsuccessful, and ah
144 I took no interest or no part, whatsoever with any ah, any matters relating to the election
145 of 2004
146
147 KB So you certainly weren't running as a candidate
148
149 RS Absol' [over talking]
150
151 KB Ah for-for the local elections here
152
153 RS [Over talking] (Ui)
154
155 KB For the State elections you were
156
157 RS Yeah – absolutely correct ah my only involvement, was to give ah the then Ron
158 CLARKE, a phone call to wish him the best 'n to give him my considered opinion that he
159 was going to win the election in a canter
160
161 KB Did you provide any other assistance to Mr CLARKE at all in (ui)

163 RS [Over talking] None whatsoever and I ha' really, ah hardly knew I'd met him a couple of
164 times over the years through Coran Cove, ah I think I'd met him while I was Mayor and
165 he was doin' ah proposing, ah to get a race track a running track over at Coran Cove or
166 Runaway Bay I'm sorry, ahm but I really didn't know him that well at all but it was just
167 ah, ah a phone call of ah to give him a bit of support 'n ah, 'n lift his spirits I suppose
168 comin' into an election
169
170 KB Did you have knowledge of any election fund
171
172 RS [Over talking] None
173
174 KB Whilst you were running
175
176 RS Absolutely none
177
178 KB Have you any – knowledge as to who administered the fund, at all
179
180 RS No absolutely none
181
182 KB What candidates accessed that fund
183
184 RS No, absolutely none
185
186 KB Knowledge of a, proposed ticket running for council at all
187
188 RS No, none whatsoever
189
190 KB Knowledge of a power block in council
191
192 RS Absolutely none -
193
194 KB So to summarise, ah your knowledge of any, election funding for candidates during that
195 election, locally I'm talking about on the Gold Coast here you have not got any
196 knowledge at all
197
198 RS None
199
200 KB And you certainly, weren't aware of the existence of any fund at that stage
201
202 RS No – I really had, nothing at all to do with the 2004, election and was really only like
203 thousands of other Gold Coasters ah interested spect'tor
204
205 KB Did you have any dealings with, a printing company QUADRANT at all

207 RS No
208
209 KB Do you know that company at all (ui)
210
211 RS [Over talking] I do know of the company they approached us ah to do the, ah media work
212 ah when I was pra' the proponent for a cable car in the hinterland a number of years ago
213 they live at Mudgeeraba, they work out at Mudgeeraba, the principal was a fellow called
214 Chris MORGAN, who happened to be on the same, hinterland tourism ahm committee
215 promoting tourism in the hinterland that I was, in 1998
216
217 KB [Over talking] (Ui)
218
219 RS He was he was, chasing our business if you like
220
221 KB Did you employ, the services of QUADRANT with your own campaign at all
222
223 RS No, I've never had any business dealings with QUADRANT we didn't even, look at
224 them, a second time, for the cable car, but I do know of him
225
226 KB Is there anything else that you'd like to comment on, in relation to the, Gold Coast City
227 Council elections in March 2004 just any general information that you think may be of
228 assistance
229
230 RS Mmm - no not really cause I-I gotta say ah it was aah an election that I, didn't take, any
231 interest in I suppose I was probably
232
233 KB [Over talking] Obviously you were busy running your own campaign
234
235 RS A little bit disappointed ah on the outcomes of the February, ah State election, ahm, and
236 ah you know I sort've ah, you know just couldn't be ah get inspired or interested in-in ah
237 the whole process at that particular point in time
238
239 KB And in fact the majority of time leading up to those elections in March, you were no
240 doubt pre-occupied with your own election campaign
241
242 RS [Over talking] Oh totally - absolutely totally ah-dah we-we, we went right up until
243 February the I don't know sixth it was early February sixth or thirteenth whenever the
244 election was, and ah we really went flat out on that ah I suppose ah the ah, it-it's-it's a
245 major, let down when you're a loser, after an election ah I've had it a couple of times now
246 I lost the 97 election as well, although I got to say that sorta, faired a little better for me
247 because the week after this 97 election I was out doing my cable car - and ah that took
248 me a couple of years to do that and ah, then I was devastated when that was knocked
249 down by the government so, ah there is a major, let down, and of you know I took no
250 interest in March whatsoever other than just to make the phone call

251
252 KB Perhaps if I can direct your attention to, the bi-election
253
254 RS [Over talking] Yeh [spoken softly]
255
256 KB That was held in January 2005 here
257
258 RS Correct
259
260 KB As a result, of the death of the late, Sue ROBBINS who was, the councillor for that ah
261
262 RS Division
263
264 KB Ah Division – and that was down Currumbin way
265
266 RS Yes
267
268 KB Can you explain if any your role in the bi-election
269
270 RS Ah I basically, was an interested party, as t' oppose to, the 2004, no interest whatsoever,
271 ah through my role as the Mayor's Executive Assistant, I suppose in some ways I have to
272 be the ears and eyes, of what's happening around the council – and the directions things
273 are taking and who are likely ah candidates who are likely winners, and ah the effect that
274 may have on, the views that the ah the successful candidate may have, ah for the council,
275 so I did take an active interest in the 2005 bi-election although I took no involvement,
276 quite clearly because of my, ah position in the Mayor's office which I recognise as a, a
277 very ahm, ah important, ah independent office, that cannot, and does not take any,
278 political, ah sides, in any shape or form, so I had no, involvement in the 2005 election at
279 all, with any candidates, ah, or you know or any, matters or, pertaining to the result of that
280 election
281
282 KB Did you know who the candidates were
283
284 RS Absolutely
285
286 KB Could you outline those for me please
287
288 RS Aah no not all of them I can remember some of them, ah I can remember James KELLY,
289 ah because he worked in an office just down the hall from me, ah, not the current position
290 there, ah further down, on my way to the toilets to be honest er which I pass regularly, I'd
291 known James KELLY ah from his Channel 9, reporting days, and to be honest when I
292 came to council I was quite surprised to see him in here, ahm, he actually interviewed me
293 several times during the 2004 election so I knew James KELLY, ah I knew, ah Chris
294 ROBBINS was running, eventually there was humming and arring about it but, she was a

295 relation of Sue's a sister-in-law as I understood it – ah but I, had only, ah sorta, nodded to
296 her – ahm, at f' at the funeral Sue ROBBINS and my, you know knowledge of her was
297 very very limited only, I knew that ah you know she carried the ROBBINS' name of
298 course, ahm, I knew there was a Kelly TRIGGER running, for the Labor Party, ah Kelly
299 I'd sort've, just no I didn't really know but I'd sorta, run into her as terms of a ah, [sighs]
300 she was a ah, you know, Labor Party candidate for a different State I think in Federal
301 elections – ah Peter TURNER the former Deputy Mayor – of Gold Coast ah Council and
302 a friend of mine, he ah heads Kirra Surf, he ah, had a friend of his whom I can't
303 remember her name running, ah he asked, me could she talk to me I mean I had several
304 people ringing and saying you know, what's happening whose going on s-who were the
305 candidates, but I can't remember her name to be honest, ahm, ahm, but it was a friend of
306 Peter TURNER's, aah who else ran – ohh there was the Citizens for Democracy people I
307 think, we thought for a-a good while that the doctor Karen COATES was gonna run, ahh
308 but she didn't run
309

310 KB She was from the Liberal Party was he

311
312 RS No Karen COATES was ah, [clears throat] ah a serious, I don't know aware, (ui) I really
313 didn't know her, but ahh I'd sorta kept an eye basically ahh she was ah Sue ROBBINS's
314 former opponent, and it was over a-a doctor's surgery in hinterland or something like that
315 so, ahh
316

317 KB Operating from home (ui) [over talking]

318
319 RS Yes I think it was yeah, so I-I thought she was going to run ahm – [exhales] wha' ah – I
320 can't even think of who the Greens were I think it was Inga LIGHT – Inga LIGHT – I'm-

329 RS Niree no
330

331 KB Yeah – yeah – actually she wasn't um, she wasn't a candidate ah – in the – bi-election she
332 was a candidate, actually the, two thou' March 2004 elections
333

334 RS Oh okay

346 RS I've, known of the name Irene WARRING and I think I've – confronted her I (ui) never
347 been, sorta officially introduced but she is are, a very vocal critic of the council ahh she
348 ee' – did she I don't think she ran did she run for cri' [tinkling of china] oh for-for the-
349 the Division
350
351 KB Believe so yes
352

354 in background] and ah – sorry can I just – hello – Hi Connie good I'm just tried up for the
355 moment – (ui) thanks bye [hangs up phone] I'll just put a divert to that, ah sorry about

363 election at all but ah
364
365 RS No I-I don't know Irene WARRING, I don't think I've spoken to her unless I have,
366 spoken to her at in the front of the council meeting ah which 's been a rabble, I don't
367 really can't remember, speaking to Irene WARRING ever, I certainly haven't met her
368 formally
369
370 KB Now
371
372 RS I know of her, you know she's quite a, you know, ah activist if you like – she comes to
373 council regularly
374
375 KB Yeah – Irene WARRING was actually ah – running in opposition I think ahm to
376 Councillor Greg BETTS and ah that was in the March 2004 elections
377
378 RS Okay
379
380 KB Yeah

431 with James KELLY mostly just walking past are you running are you not running that

433 financial assistance really I was just sorta more interested in who won it, to be honest

471 mentioned that he was gonna be a candidate – and ah which I thought was pretty strange,
472 being a, council employee, ahh it's, very very tricky to run as a council employee – ah
473 fortunately he wasn't running against the councillor, so ah he didn't get anyone off-side
474 but we've had it in the past other times when council ee-employees have thought gee, that
475 guy's a moron I can run against him, and it makes for a very difficult work place
476 afterwards obviously in particularly in someone working in the media so, yeah I had an
477 interest there ahh and where he was at and ah even his background you know ahh, ahm,
478 you know how he fitted in and why he would want to run as a councillor and so sorts of
479 things I suppose we talked, and ah he just felt that he could do it you know 'n that sorta
480 stuff, and ahm – you know I supp he um, (ui) from, he might've questioned me a couple
481 of times on what he thought his chances 'id be and ahh I – you know I didn't really know,
482 that much about Division 14 ahm but, you know I asked him a few questions, and to be
483 quite honest I thought he was a very poor candidate and he'd have great difficulty
484

485 KB Who instigated the conversation with him did you

486
487 RS Ohh

488
489 KB Approach him or did he approach you

490
491 RS Oh-oh 'll, we had a lot of conversations not just one I mean ah every time I sorta go past
492 the toilet I'd find out, someone would've told me that hey James KELLY is a possible
493 candidate, and I would've said ahh something along the lines as hey James you running
494 for council, just, as any matter of interest, and oh could be or might not be that went on
495 for probably a month or two, really ahh what are you doing ah are you havin' a go or not
496 'n it was just of interest to me, that someone in the same ah office was running – and ah
497 [sighs] you know they were all sorta I suppose he'd say ah who do you, you know who do
498 you think 's running and that sorta thing and ah what about ah is Sue, you know, oh I
499 think we all thought the doctor was, was, would be the favourite, Doctor Karen
500 COATES, ah cause she'd had gone very well ahh in the last election against Sue
501 ROBBINS, ahh, so in terms of instigation, ah I mighta said, are you running – ah but after
502 that it was just, I'd, you know a genuine, interaction of ah conversation on many
503 occasions

504
505 KB So (ui) go back ah, to what, I touched upon before did you offer him any specific advice
506 in relation to how he should run his election campaign

507
508 RS Absolutely not

509
510 KB At any stage did you, contact him to come into your office at all to, discuss, his, running
511 as a candidate

515 one time he came in sat exactly where you are -
516
517 KB You can't recall you, phoning him for him to come into your office, at all [over talking]

519 RS No I can't
520
521 KB Ah you can't recall could that, could it have happened or, you're saying that no it didn't
522 happen
523
524 RS Ahhh I wouldn't 've called him over I wouldn't of thought I would've ah talked to him
525 there or ah I would've said hey, you know if we're talking about the thing and he was
526 running or not I might've said hey well, you know, pop in when you're ready or
527 somethin' like that but I, can't remember phoning him to say come on over to my office
528 'n, and request him to come in
529
530 KB At any stage did you tell him that a certain, amount of money was available to help his
531 election campaign if he, wanted it
532
533 RS Absolutely not, and ah we had this matter raised before I had a call from Fiona
534 HAMILTON of the Bulletin, and she said Ray I understand you're bank-rolling James
535 KELLY - and I said absolutely [laughingly] not - and ah I raised the matter with James -
536 I'd said hey where did this story come from, and he said, I don't know he said ah, I said
537 (ui) I said when did I ever offer you money and he said to me you haven't - I said James,
538 you asked me what it would take, ah I went through his credentials, I said how long have
539 you been living on the coast, and ahh he like (ui) short time I don't know 6 weeks or
540 something like that that he'd been living in his current address at Currumbin or whatever
541 it was or a couple of month I can't even remember what it was, I said oh you, you married
542 oh I got a partner, ah I said oh so ah, where are your community groups or your
543 associations surf clubs or anything like that down there, ah, mind you I don't really know
544 the guy that well you know other than, as an interviewer from the television station, so he
545 said oh no not really don't know anyone there I said well you know you, it's gonna be
546 really difficult for you down there to get, you know a certain amount of ah groups cause
547 as a candidate for council you have a, ah if you're known in your area you'd have a th', a
548 thousand, people that would know you, and vote for you cause they know your face or
549 whatever, I think James might've been going on the fact that he was are a television, in
550 his own mind or television, star ah a fact that he's done some interviews but the reality is
551 no one, recognises who does television interviews, they'd know the Rob READINGS 'n
552 the, (ui) KRANOWSKI's but, whoever does the interview no one really knows so, I
553 would've said I said well mate you're gonna need a fairly little packet, to get along and
554 do this thing and ah you know you need about twenty-five grand, to ah run that side of
555 campaign to get you up - and I would've, told that I mean that [hand clap] you know
556 that's I would've said for sure, but never - did I, say I would, help him or would I get

558 he had no chance – and ah unfortunately ah what happened ah after that, James got into
559 bed with two other candidates, like-minded candidates [hand clap] and that's where the
560 story ah came back to me but, when I, asked him about it cause I was really upset that
561 Fiona HAMILTON from the Bulletin, had called me and said hey you're funding
562 candidates I'dn't any involvement whatsoever [hand clap] I said what's the bottom of this
563 story, anyway, obviously I [hand clap] I got led to James KELLY and I said whe', when-

757 RS Well I've already – clearly ahh, enunciated what happened into those matters and it
758 wasn't just a one off phone call, in fact I think he initiated coming in ah as I said before
759 after hours, because he didn't really want to be seen in work time and I, I work back
760 obviously from time to time, but we'd have many conversations about it really even
761 before that in terms of, discussing whether he would-would run or he wouldn't run

965 in the corridor
966
967 KB So you couldn't – recall him coming into your office the second time at all
968
969 RS No
970
971 KB Is it possible that on that first occasion when he came into your office that, that's when
972 you may have mentioned that you'll need at least twenty-five thousand dollars, to run a
973 campaign, could it 've taken place here, in your, in your office
974
975 RS Sorry
976
977 KB When he came into you-you can recall him you think you can recall him coming
978
979 RS [Over talking] I can recall him in the office
980
981 KB Right
982
983 RS And I can remor' recall, talking to him about the campaign what wou'
984
985 KB Yeah
986
987 RS What it would cost – and that was probably when I said – it would take twenty-five
988 thousand
989
990 KB Yeh, yeah that was my question yeah
991
992 RS Oh sorry
993
994 KB You're right

999
1000 RS Here
1001
1002 KB Right here
1003
1004 RS Yeah – but he wasn't there
1005
1006 KB Yeah, he's, he was in a different location (ui)
1007
1008 RS [Over talking] He's just down on the way to the toilets yeah [laughingly] – next to
1009 Councillor DOUGLAS's
1010
1011 KB He claims that he, came into your office as a result of that second phone call, and – you
1012 ran through the deal with him again about the money being available to him
1013
1014 RS No – absolutely not, I mean, I thought he was a bum candidate – I mean, why would I
1015 even think of offering him money and I haven't got any to offer (ui) [laughingly] just
1016 ludicrous
1017
1018 KB And he told you that he would decline the offer and he thanked you, and he's, and again
1019 you said that the candidate with the most money will win – and unfortunately it'll be
1020 difficult if not impossible for you to win, you're not really well known down there
1021 meaning down there (ui)
1022
1023 RS [Over talking] Well I always said that, to him, I said look it's difficult for you, cause
1024 you're got no, background in the area I mean I didn't say anything else I mean you can't
1025 tell a guy he's a dud candidate
1026
1027 KB But that wasn't – during the second meeting
1028
1029 RS Well I don't know if we had a second meeting to be honest Ken I mean ah – I can
1030 remember, him sitting there, that's all I can remember I cannot remember see, but we
1031 talked all the time (ui), we talked in his office over there when ah, we're goin' past what
1032 are you doin', and that sorta stuff but cause it was an ongoing process over, oh I don't
1033 know – six weeks or whatever, how long it took to
1034
1035 KB Yeah
1036
1037 RS I don't know even know when ROBBINS die – I thought it was earlier than that I thought
1038 it was October November

12
13 KB And you outlined before that, you were, aware of a person by the name of Kelly
14 TRIGGER also running (ui)
15

32 KB And, Mr KELLY outlines that – Fiona HAMILTON, contact you phoned you which
33 you've already, stated she did
34
35 RS Correct
36
37 KB And asked you a few questions
38
39 RS Correct
40
41 KB Ah whether it could be basically you behind, ahm, an offer financial offer [sighing in
42 background] – he claims forty thousand dollar offer – to certain candidates – that's
43
44 RS I – it's a nonsense
45
46 KB Yeh, did she actually Fiona HAMILTON actually mention the amount of forty thousand
47 dollars to you
48
49 RS Ohh gosh – I cannot remember – to be honest
50
51 KB But what you can recall is that she did contact you and, basically, put it on you – whether
52 or not it was you that, may have been, financing
53
54 RS [Over talking] Organising can-candidates
55
56 KB Electoral campaigns
57
58 RS [Over talking] Correct, she did – correct – yeah, I remember that clearly
59
60 [A long Pause]
61
62 KB Alright after that you received that phone call from Fiona HAMILTON from the, Bulletin
63
64 RS Hmm hmm
65
66 KB Did, you, subsequently contact James KELLY
67
68 RS Yes
69
70 KB And, can you just outline that conversation (ui)
71
72 RS [Over talking] Well as I said before I said, hey James ahhh yo' 'ow ah, this is not
73 verbatim this is approximate
74
75 KB Yeah – sure

76
77 RS I mean I can't remember what I said
78
79 KB Words to the effect
80
81 RS Words to the effect that ah, I've been contacted by Fiona from the Bulletin, and this
82 would be before the article that came out obviously, as ah saying that I've offered
83 candidates, ah money to ah to run their campai' or run their campaign, you know 'n dah -
84 I said ahhhh yo' 'ow, I take it that story 's coming from you - I said where, where and
85 what did I ah offer you, and he said at the particular time you never offered me any
86 money, Ray, and
87
88 KB He said that to you
89
90 RS Yes - and he said ah, I said well that's the only inference I can drawer from where it's
91 coming from, cause I was pretty upset about it as you can imagine, and ah he - [knocking
92 sound] ohh! I'm just trying to think he did, he-he basically denied it was anything to do
93 with him - so if ah, if he's saying these other things now we've got a ahhh, what you'd
94 call a convicted liar
95
96 KB He also claims that - during that conversation on the phone - with him after Fiona
97 HAMILTON contacted you I take it it was a phone conversation that you (ui)
98
99 RS [Over talking] No I think it was a face to face one
100
101 KB Alright he, seems
102
103 RS To be honest
104
105 KB He seems to think it was a, it was a phone conversation
106
107 RS No I think it was a face to face one [laughingly]
108
109 KB Alright
110
111 RS And I can't remember where but I think I really fronted him about it in fact I think it was
112 probably in the office
113
114 KB Here
115
116 RS Yeah
117
118 KB He claims that you said to him that you will sue anyone that tries to pin that on me - this
119 is in relation to you offering money to any candidates

122 sue them or I'll, def' take them for defamation if they're passing around incorrect ah, he
123 denied it was him
124
125 KB And he told you that he, got the message lot and clear and that was basically the end of
126 the matter, can you recall him saying
127
128 RS [Over talking] But he - na' -- he no, no [laughs] he denied he had anything to do with it,
129 he said it wasn't him -- [a long pause] mind you I still have my suspicions that it was
130
131 KB How would you describe your -- current -- working relationship with, James KELLY
132
133 RS Well I thought it'd been good -- to be honest
134
135 KB Have you had any -- trouble with him at all
136
137 RS Ahhh no, no not, personally I don't really deal with him ah I, deal with his boss which is
138 Kerry HELDON, ahhhm I would say from his point of view I mean -- [sighs] you know I
139 don't know I mean ahhh he sort've, wonders along a bit I know a lot of the councilors
140 were unhappy with him running -- as I said before, at the start of the interview you're a
141 game person, to, as a council employee, to run for council, in a political position, cause
142 you do carry baggage, now it whether that ah -- I donno I've always said hello James I
143 mean that's, we're not, yo' know I, shut the door for him of an evening out here when he
144 hasn't got a key to shut the door, so I would hope, that I haven't been ah untoward to him.
145 ah he may perceive it as that way
146
147 KB Do you know anything about him, as he describes it being dumped as the media officer
148 for the City Cleaning Committee which is chaired by Councillor Ted SHEPHERD
149
150 RS Nothing at all -- but I'm not surprised
151
152 KB Were you aware that he was dumped at all
153
154 RS No -- to be honest I don't even know what he does I don't even know if he's full-time or
155 part-time or whatever you know I mean, I
156

167 thousand dollars
168
169 RS Mmm
170
171 KB That ah – [pages being turned] - you said that – if he was interested, words to the effect
172 this is, if ah he was interested it'd be a group of like-minded people in the community –
173 who would back a person – that would see things the way, the majority in council sees
174 things
175
176 RS [Over talking] Nonsense, absolute nonsense
177
178 KB You never had the conversation
179
180 RS Absolute nonsense, I mean I thought he was a dud candidate why would I be hunting him
181 up –
182
183 [Page being turned]
184
185 [A long pause]
186
187 KB And he claims the ah, the two meetings with you, in your office took place, in December
188 before Christmas
189
190 RS We had more than two meetings but
191
192 KB Yeah
193
194 RS All up, yo' know little meetings in there there was, conversations 'n, we would talk
195 regularly probably if not every day every second day yo' know I mean, there was an
196 ongoing dialogue on what are you doin', you take my jump you know and it was all very
197 friendly ahh – yo' know I thought he was crazy
198
199 KB And claims that after he, rejected your offer – after, oh during the second meeting I
200 should say ah, you basically told him that, you're the one doing doing yourself a dis-
201 service and, person, you repeated that the person with the most money will win the
202 election, and certainly won't be you
203

224 thing
225

227 ROBBINS's sister stood as a candidate, did you ever, make a comment like that to him,
228 after the election that was
229
230 RS Ohh, no but I look, honestly I can't categorically say no in terms of, I thought I might've
231 said something could the ROBBINS's name won it or something like that I mean, it, the
232 ROBBINS' name was very strong in my personal, you know opinion – but I ah I still yo'
233 'ow, that wasn't until later that I, thought that she'd be a big chance and even then, I
234 thought Kelly TRIGGER had a good chance being the Labor Party girl down there they
235 were, yeah they were going pretty well the Labor Party at the time
236
