Rob,

Lunched with the MD and Editor of the Bulle yesterday. They DEFINITELY THINK AND WILL WRITE that the defacto Liberal team takeover of the GCCC. Given Ron is also Liberal-minded, I wouldn't mind that. Despite what the pundits may say mate, Ron is coming home fast with a wet sail. Can I recommend you contact him prior to the day to reinforce your independence etc. 0417 725 513. Just a heads up for an old Keebra boy.

I'm running Dunk in Drake's seat also, and he's going to go real close with the benefit of preferences. Why not say g'day. 0411 510066
