51
52 AC Um I look after the precedents and the legal education and the um [pause] article

66 here on the Gold Coast as part of that inquiry I have a number of matters to discuss here
67 with you today in particular pertains to memorandums that appears that you have
68 prepared in relation to interpretation of s.430 of the Local Government Act and some
69 other points which we will come to shortly, but first of all if I can [paper shuffling] can I
70 get you to sight these two (2) documents and one (1) is dated the sixteenth of April 2004
71 (16.04.2004), it's got from Anne Cunningham RE: lodgement of a return for making a
72 gift under the Local Government Act s.430 and the other memorandum is dated the
73 twentieth of April 2004 (20.04.04) once again from Anne Cunningham RE: lodgement of
74 a return for making a gift under the Local Government Act s.430 so it's an identical...

79 you responsible for preparing them in their current form?
80
81 AC [paper shuffling] Um yes I was responsible for preparing, them both, but one (1) appears
82 to be a draft um and the other one (1) appears to be the final which was [paper shuffling]
83 overwritten [paper shuffling].
84
85 KB Which one was the draft one (1)?
86
87 AC Well [sigh] I think it appears to be the sixteenth (16) of April and I would of then
88 upgraded it to the Twentieth (20) of April.
89
90 KB Well perhaps is we go back to the beginning, how'd you come to prepare these
91 documents?
92
93 AC Um I was asked by the Manager of litigation David Monaghan um if I could help him out
94 with this matter 'cause he was overloaded with work so he just he gave me the
95 instructions and what I had to do.
96
97 KB Can you recall when that request was made by him?
98
99 AC I don't remember the dates, at all.
100
101 KB Have you got any record of that at all?
102
103 AC [sigh] it would be on the file or I I suppose I, no not of being told I wouldn't have a clue.
104
105 KB David Monaghan what position does he hold?
106
107 AC He was, he's not here now he was the partner the litigation partner... of Hickey's.
108
109 KB So he made the request to you...
110
111 AC Yes.
112
113 KB ...to prepare, the memorandums?
114
115 AC Yes.
116
117 KB How did he make that request? Can you recall?
118
119 AC Personally he would have just called me into his office and handed me a file and asked
120 told given me instructions and I would have gone back to my office and started working
121 on it.

125
126 KB [paper shuffling] perhaps if I can refer you to an e-mail here that's addressed from David
127 Monaghan dated the fifteenth of April 2004 (15.04.04) sent at two twenty nine (2:29pm)
128 and addressed to yourself, Anne Cunningham, just have a read of that e-mail.
129
130 [Sound of paper shuffling]
131
132 AC Okay [pause] yes it certainly looks like that's how he told me [laughing], okay yes it is an
133 e-mail [overtalk] [ui]
134
135 KB So you don't think it was personally [background noise] or could it have been personally
136 to or?
137
138 AC Well I remember talking to him personal about it but I forgot that I.
139
140 KB Right.
141
142 AC Got an e-mail about it.
143
144 KB So do you think you would have received that e-mail first then spoke to him?
145
146 AC It it looks like its possible, then I would have had to gone into him to get the files so.
147
148 KB And in the e-mail he makes the request, Anne can you please have a look at s460 of the
149 Local Government Act Queensland to see whether we need to make a disclosure under
150 that section about payments out of our trust account I will get details of the payments to
151 you separately.
152
153 AC Yes.
154
155 KB And that forms part of another e-mail as you can see it's addressed from Karen Blackman
156 to David himself.
157
158 AC from Katherine yes.
159

161

175

178
179 AC I have really can't recall it, I'm assuming I went in and got the files I really couldn't be
180 sure.
181
182 KB Anne you stated you haven't got any notes or diary entries or?
183
184 AC Well I would have put them on the file.
185
186 KB Yeah.
187
188 AC And then I handed the files back to him with the advise and would have never seen it
189 again.
190
191 KB You said before he instructed you.
192
193 AC Yes.
194

197 AC Mm hm.
198
199 KB ...in preparation of that document I take it to be or?

203
204 KB Right.
205

241

245 instructions were?
246
247 AC No not really.
248
249 KB And I I appreciate the length of time.
250
251 AC That's alright if I can see like a step by step sequence of amend e-mails or something
252 maybe I could remember what happened in the middle but I only vaguely remembered I
253 wrote the advise.

294

297 sixteenth (16) and one (1) the ah twentieth (20) of April you believe the one on the
298 sixteenth (16) of April 2004 is in fact a draft.
299
300 AC Ah the only reason I believe that is that I looked at this document number on my
301 ~~computer this morning and that that structure didn't appear there so it looks like it an~~
302 upgraded version so I'm assuming that was a draft the sixteenth (16) um was a draft,
303 which I subsequently went in and amended.
304
305 KB Can you recall why you were being requested to conduct research into that pacific section
306 at all the Local Government Act four thirty (430) about making returns or gift returns?
307
308 AC Um all I remember is that we had trust account accounts in the name of Lionel Barden
309 and um we had to instruct [paper shuffling] him or give him advise on whether he had to
310 lodge a return.
311
312 KB Did you do that personally?
313
314 AC Um no I didn't I didn't talk to him no.
315
316 KB How were you aware that you had trust accounts in relation to Lionel Barden?
317
318 AC By the files.
319
320 KB Did anyone provide you with information in relation to that trust account?
321
322 AC No.
323
324 KB Do you yourself know anything about the trust account the workings of it.
325
326 AC Absolutely no.
327
328 KB Who accessed it.
329
330 AC No [laughing].
331
332 KB But it was administered by Hickey Lawyers here or?
333
334 AC I believe well that's what the file said it was.
335
336 KB Yeah
337
338 AC It was our trust account yeah in a they were money in our trust account yeah.
339
340 KB It appears that Lionel Barden had a connection with the trust account.

342
343 KB Right so just going through the document dated [paper shuffling] the twentieth (20) April
344 2004 I can just take you through that, you've got here a number of points that you
345 ~~addressed in the document and I just start off the question is whether a donor to a Local~~
346 council candidates campaign must lodge a form under s. 430 of Local Government Act
347 and you replied the short answer is yes then the other heading is does Hickey's have to
348 lodge a return is it a person under the Local Government Act you believed they didn't
349 have to lodge a return as...
350
351 AC Mh hm.
352
353 KB Hickey w Hickey's were 2 agents for two trust funds.
354
355 [Background noise ui]
356
357 KB Yeah.
358
359 AC Yes that's right.
360
361 KB Do you know what those two (2) trust funds were? One (1) was the Lionel Barden
362 obviously?
363
364 AC Oh another one was the Gold Coast Council something a rather um it's written there I
365 don't actually remember it off.
366
367 KB Okay, we'll just keep going down Quadrant [ui] is also excluded then there's a heading
368 the Lionel Barden Common Sense Campaign Fund and you described that Anne your
369 argument is or your research that you conducted...
370
371 AC Mm.
372
373 KB ...your advise is that the therefore the trustee of this fund must lodge a return disclosing
374 the names of it's donor.
375
376 AC That's right, I I researched for many many days because the Act the reason I remember it
377 now so clearly is the Act is very unclear and I just could not figure whether we had to put
378 a return in or not we as Hickey's so I rang the um Government Department and two (2) or
379 three (3) times I think or he rang me back a couple of times until we sorted it out
380 between us that's why I was pretty sure at that stage that we couldn't have done anymore
381 to clear it up.
382
383 KB Yeah, okay so there's another heading here Gold Coast City Council Election Campaign
384 Fund well that was the name...

389 at all or who was um the trustees behind it?
390
391 AC No I I didn't even remember that name until I looked at this document this morning
392 didn't remember it at all but I did remember the other one (1).
393
394 KB Power and Robbins does that ring a bell.
395
396 AC The 2 name ring a bell but um.
397
398 KB You can't say for sure if they...
399
400 AC No.
401
402 KB ...were connected with this...
403
404 AC No.
405
406 KB ...Gold Coast City Council Election campaign.
407
408 AC No no I know their names were in the file.
409
410 KB Which one was the first one that you can recall?
411
412 AC Um you mean in order in...
413
414 KB Yeah.
415
416 AC ... file Lionel Barden.
417
418 KB Uh sorry the two (2) names of the (2) accounts.
419
420 AC Yes.
421
422 KB Okay, what was the how did it come to have two (2) names I guess is the question that
423 I'm asking?
424
425 AC Um I don't I'm not sure I think I think I queried it and I looked at it and thought why have
426 we got 2 different trust names in this file and whether I asked David or queried him I'm
427 not sure but I then worked out that it was just a name change I think it was a name

435 AC Yeah.
436
437 KB And this was after the election by the looks of it?
438
439 AC I think so yeah.
440
441 KB Twentieth (20) of April.
442
443 AC No I don't know when the election was.
444
445 KB March twenty seventh (27) 2004.
446

448
449 KB Anyhow you also address an area the disclosure period.
450
451 AC Uh ha.
452
453 KB [sound of paper shuffling] and another heading return just this part here under return you
454 got the form must be completed and signed by the trustees of each account sorry of each
455 trust if more than one (1) trustee then all of them. Lionel's address can be his private or
456 business address it appeared that his business address was care of Hickey's so I put in his

458

462
463 AC Mm hm.
464

477

478 AC No, I know David was very busy every time I went in there he was saying I'm to busy so I
479 was doing it on my own.
480
481 KB Anne you go and say that the return must be lodged within three (3) months after the
482 conclusion of the election so we are within time, if a return is not lodge then it can reflect
483 badly on the Councillor or donee there's also a fine of fifteen hundred (\$1500) imposed
484 on the donor for failing to lodge or lodge an incorrect return.
485
486 [Pause-sound of cars in the background]
487

490 AC Mm hm.
491
492 KB Conclusion, so that just your advice that you sent to whom, because on the memorandum
493 it says file to file.
494

496 whatever he intended doing with it I don't know I was just asked to give an advice.

535 KB Did you make the request to the CMC did you, to [ui]?
536

537 AC Well apparently I didn't know where it was going it was just off the net it was you know
538 like this is a package of information for Councillors on their I can go and get it and show
539 it to you.
540

541 KB Yeah nah I think I know which one your referring to but what caused you to actually
542 speak to someone at the CMC?
543

544 AC They rang me.
545

546 KB Okay.
547

548 AC Someone rang me some female rang me.
549

550 KB How did they find out that you...
551

552 AC I must have in asking for this package I must have just lodge a request with CMC and not
553 known.
554

555 KB Through the net.
556

557 AC Through the net.
558

559 KB Over the net I should say yeah alright. Can you recall when that would have been, would
560 it have been around this time?

561 AC It was around then.
562
563 KB April 2004?
564
565 AC Yes yes but it could it obviously didn't arrive until after I sent the file back 'cause that
566 package is in my room and not on the file I just flung it onto a bookshelf.
567
568 KB So do you stand by that advice that you provided in this memorandum to date? Or
569
570 AC I do I hopefully it's right I wouldn't have a clue. [laughing]
571
572 KB Yeah.
573
574 [sound of paper shuffling]
575
576 AC As far as I know that's the one I prepared it looks like the one I prepared.
577
578 KB Just going back to the earlier one date the sistennth (16) April.
579
580 AC Mm hm.
581
582 KB Once again it's to file and sorry what did you say that meant to file.
583
584 AC Well I would have just been asked to conduct do some research on a on a specific section
585 so I would just not know who to address it to and just put it the file and let them deal with
586 it.
587
588 KB So after you completed this document dated the twentieth (20) of April 2004 which
589 appears to be the...
590
591 AC Mm hm.
592
593 KB ...final report or memorandum that you completed, what did you actually do with it
594 physically like you would have used you computer to?
595
596 AC That's right I would have printed it out given it to David and given the file back.
597
598 KB Did you sent it to anyone electronically?
599
600 AC I doubt it.
601
602 KB So you would have printed made a hard copy of the document.
603
604 AC Yes.

606
607 AC Yes, I may have e-mailed it to David but I doubt it, his only 3 steps away ...
608
609 KB David Monaghan we're referring to.
610
611 AC Yes.
612
613 KB Can you recall when you would have handed it to him?
614
615 AC No sorry I.
616
617 KB Would it have been around that time the twentieth (20) of April.
618
619 AC Well I normally like to get rid of things as quickly as I can so hopefully I gave it to him
620 straight away.
621
622 KB So when you handed it to David did you have any conversation with him in relation to
623 this file?
624
625 AC Possible I might it's normal that when I did something for him I sat down and would talk
626 about it and say is this enough do you want more that's my normal routine so.
627
628 KB Can you recall it you had that conversation with him in particular?
629
630 AC No.
631
632 KB Can you recall whether anything specifically was discussed during this conversation with
633 David? When you handed him the file.
634
635 AC No.
636
637 KB Can you recall him saying anything to you in relation to what you've included in your
638 memorandum?
639
640 AC Not really no.
641
642 KB So you handed it to him...
643
644 AC I only barely remembered even doing it [laughing]
645
646 KB ..what happened after you handed it to him?
647
648 AC I forgot about it. I didn't.

652 I'm assuming there was nothing further said [pause] mm no.
653

654 KB Did Mr Tony Hickey have any conversation with you in relation to this document?
655
656 AC No.
657
658 KB Did he have any influence as to what you included in this document?
659
660 AC No.
661
662 KB ...your opinion.
663
664 AC No I didn't talk to any of the partners about it.
665
666 KB So this was all of your own...
667
668 AC This was purely research.
669
670 KB ...research.
671
672 AC Which is what I do here half of my job is research.
673
674 KB So in essence David Monaghan would be the only person you have spoken to about this
675 document and when you completed it you handed it to him you can't recall the content of
676 that conversation that you had with him,
677
678 AC No.
679
680 KB And all likely hood you would have had some discussion but as for the actual content you
681 can't recall.
682
683 AC No sorry.
684
685 KB Can you recall if he agreed with this your advise? Or
686
687 AC He yes.
688
689 KB He did agree with it.

692 tremendous difficulty finding the right document to fill in and that's what made me ring
693 that man at the Government Department I think I've got his name in there.
694
695 KB Yeah.
696
697 AC Um to say.
698
699 KB Al McCormack.

702 the correct document and he did.
703

711 AC No.

720
721 KB ...further to do with in after you handed
722
723 AC Completely forgot about it [laughing].
724
725 KB ...that document to David Monaghan, I just refer you to the one on the sixteenth (16) you
726 said before that seem to think it may have been a draft, yeah have a look at it.
727
728 AC It's the same document number so.
729
730 KB It is the same document.
731
732 AC And if it's different it must have been a draft earlier draft.

737 research again.
738

739 AC Yes well yes that's right or talking to that Mr McCormack.
740

741 KB Would you have spoken to Mr McCormack before you completed this draft document or
742 after you did the draft?
743

744 AC Oh would have been during.
745

746 KB Or before you did the final.
747

748 AC Would have been during yes.
749

750 KB The draft or the final one?
751

752 AC Oh I'm not sure.
753

754 KB Don't know, sure. Have you got any notation?

756 AC If you've got the file you would have any file note I made of when I spoke to him I'm not
757 sure.
758

759 KB Thankyou, I'll come to that shortly.
760

761 AC Mm.
762

763 KB Just this last part on the memorandum dated the sixteenth (16) April 2004, you've got a
764 heading whether to disclose the name of the trust sorry whether to disclose that the name
765 of the trust has changed.
766

767 AC Mm hm.
768

769 KB I'll just read out I've noticed that the name of the trust changed from the name of the
770 Gold Coast Council Campaign to it's present name obviously that would be Lionel
771 Barden.
772

773 AC Yes.
774

775 KB While it was the Gold Coast City Council campaign we paid our funds tot councillors
776 therefore they have to be disclosed in the return.

782 a fifteen hundred dollar (\$1500) fine?
783
784 AC Mm hm.
785
786 KB The reason I am hesitate is because two (2) Councillors were the trustees they would have
787 to disclose the names of the donors and I take it those two (2) councillors would be
788 Robbins and Power.
789
790 AC No, I think so.
791
792 KB There was no buffer between the Councillors and the donors until we changed the
793 structure.
794

796

798
799 AC You mean how did I form a conclusion, the information the facts would have come from
800 the file and drawing those conclusions would have been I think I remember preparing
801 trying to prepare the return...
802
803 KB Mm.
804
805 AC ...in a draft form so that there wouldn't be to much more to do by Mr Barden and then
806 sort of striking these difficulties and um just raising the issues and if that's then not in the
807 twentieth (20) uh memo obviously it was all resolved.
808
809 KB Yeah that's not contained in the memorandum of the twentieth (20).
810
811 AC No no and I don't even remember because I've only just read the twentieth (20) one that
812 that was just disappeared off my copy I don't remember.
813
814 KB So you don't know why it was admitted on the twentieth (20) of
815
816 AC I don't know what actually went into that return when it was sent, the you know the final

826

827 KB Can I ask ya who, Can I ask you requested you to prepare that draft return for Lionel
828 Barden?

831 go through the whole routine again and try and figure out what went where.
832
833 KB It is the case that Mr Tony Hickey requested you do that or?

846
847 AC Probably the files I wouldn't have had any other knowledge [pause] and it would have I I
848 think it would have just been the name like Lionel Barden and his address I don't recall
849 putting anything in do I I remember writing [sound of paper shuffling] other things I
850 don't know where it is I'd have to see it to remember it I did a bit more than put just his
