Attention	: Karel Weimar	Fax #	: 3360 6333
Company	: Crime & Misconduct Commission	Date	: 09.11.05
Regarding	: CMC INQUIRY INTO GOLD COAST CITY COUNCIL		

Dear Mr Weimar,

I refer to your fax dated 3rd November 2005.

I have conducted an extensive search of our files & records. The only information I have been able to source with respect to the 3rd of March 2004, is a copy of our Daily Cash Summary Report.

The report indicates that there was a function held on the 3rd of March 2004. At that function, our report indicates that we sold \$2475.00 worth of food and \$668.00 worth of beverages, making a total of \$3143.00 for the function.

I am unable to confirm any details of the function, other than those listed above.

As I have advised you previously, I was not employed by the club at that time. Some old records were archived in a steel shed adjacent to the existing clubhouse, however, due to a rebuilding program, this was cleaned out approximately 6 months ago in preparation for demolition.

I hope this assists with your enquiry.

Kind regards
Windaroo Lakes Golf Course
