Dear Mrs Scott,

RE: CAMPAIGN FUNDS

Please find enclosed a copy of my facsimile to Alice Jones this morning.

I trust that she has misquoted you. I also trust that your Return did not show a donation from Tony Hickey.

You did of course receive funds, which passed through Hickey Lawyers trust account. Monies held in our trust account were donated by certain other parties. If you have made a mistake in your communication to Ms Jones, or in your Return, would you please amend it.

Yours faithfully  
HICKEY LAWYERS

The Chief Executive Officer  
Gold Coast City Council  
PO Box 5042  
GOLD COAST MC 9726

Dear Mr Beynon

It was recently drawn to my attention that I made an error in page 4 of the "Return of Gifts" I provided to Gold Coast City Council in relation to the Local Government Election held on 27 March 2004.

Where the form requested "*Name of Donor*", I took this to require the contact name of an individual who could verify the information I was providing. In relation to the funds from the two law firms, these funds were, of course, provided via a trust account and were not personal donations from the person's named.

My sincere apologies for this error on my part. I have attached a replacement page 4 of my return with the correct information.

Sincerely,

Roxanne Scott
