

Department of Transport and Main Roads

Before accessing this system you must agree to comply with Queensland Government the Transport Portfolio and your relevant department's (if you are not a Transport Portfolio employee or agent) Policies, Standards and Code of Conduct.

Important elements of these include:

- You are responsible for all activities performed under your user ID. Your activities are logged and monitored and are stored for future reference.
- When accessing internal or external TMR web services, your information may be provided to Google, Microsoft or other third parties for the purpose of usage analytics, business intelligence or system integration.
- You must keep your password secure. Do not share it with anyone else.
- You must not perform inappropriate or illegal activities using Queensland Government systems and infrastructure.
- You must not introduce viruses or other malicious software
- You must not load or use unauthorised games or program files or other electronic media.
- You must not attach unauthorised hardware to the network e.g. laptops & personal devices.

If you do not accept the above conditions do NOT proceed past this point.

If you accept the above conditions click the button below to proceed.
