Dear Commissioner Stewart

RE: COMPLAINT OF [REDACTED]

Thank you for your correspondence dated 21 August 2018 enclosing [REDACTED] report in relation to her review of the matter involving a complaint by [REDACTED] in relation to Senior Constable Punchedard.

I have overviewed [REDACTED] review and my observations are enclosed.

I note that I have concluded, amongst other things, that efforts should now be made to assemble relevant evidence to facilitate the charging of Senior Constable Punchedard with offences of computer hacking as soon as possible. As Senior Constable Punchedard has previously given a directed interview and investigators who have previously investigated the matter are aware of the contents of that interview, the Queensland Police Service may wish to consider allocating the matter to a new investigator and ensuring the contents of Senior Constable Punchedard's interview are quarantined from the new investigator to ensure that the argument that was successfully raised in the prosecution against [REDACTED] cannot be raised in relation to this matter.

I can be contacted on [REDACTED] or [REDACTED] if you or [REDACTED] have any queries about my observations.

Yours sincerely
