Strategic Plan 2023–2027 (Updated 2024)

OUR VISION

Safe communities supported by fair and ethical public institutions.

OUR PURPOSE

The CCC is an independent agency combating major crime and reducing corruption for the benefit of the Queensland community.

WHAT WE DO

We make Queenslanders safer by investigating and shaping effective responses to serious and organised crime, working and sharing intelligence with the Queensland Police Service and other law enforcement partners, and confiscating criminal profits.

We raise standards of integrity in the Queensland public sector by ensuring corruption complaints are dealt with effectively, strengthening systems and procedures that prevent corruption, and investigating serious complaints about corruption.

We protect witnesses from danger so they can assist law enforcement agencies in the performance of their functions.

STRATEGIC OPPORTUNITIES

STRATEGIC ALLIANCES

Collaborating and partnering to achieve outcomes we would not achieve alone.

DATA AND DIGITAL CAPABILITIES

Leveraging new technology and insights to improve efficiency and effectiveness.

HUMAN CAPITAL

Accessing specialist capability, and developing and empowering our workforce.

DIGITAL **INTEROPERABILITY**

Investing wisely in digital solutions to support cross-functionality and improve performance.

OUR OBJECTIVES

EFFICIENT AND EFFECTIVE

Delivering efficient and effective outcomes to reduce the incidence of major crime and corruption, and improve the integrity of the public sector in Queensland.

SAFE AND CAPABLE

Developing the capability and managing the wellbeing of our people and enabling their performance through access to high-quality information and fit-for-purpose systems.

OUR VALUES

Accountability

Our commitment is to partner with Aboriginal and Torres Strait Islander peoples to form lasting relationships based on mutual trust, respect and understanding to support our vision for all Queenslanders to feel safe in the communities in which they live.

MEGA TRENDS

CYBER, DATA & IT SECURITY

The rise of technology, reflecting

digitisation and the increasing value of

data, creates additional cybersecurity

risks that can potentially compromise

confidentiality, availability, and

integrity of information and digital

systems and put people's safety at risk.

STRATEGIC RISKS

STRATEGIES

Delivering efficient and effective outcomes

to reduce the incidence of major crime and corruption, and improve the integrity of the public sector in Queensland.

- Improve productivity and outcomes to maximise impact.
- Enhance governance, risk and compliance processes and culture to mitigate risk.
- Advocate for **legislative reform** to improve our ability to anticipate and respond to the changing nature of our operating environment.
- Innovate, digitalise and automate service delivery to maximise operational efficiency and effectiveness.
- Build and use data to inform effective decision • making
- Enable a trauma-informed approach that reflects the perspectives of our diverse community, including First Nations peoples.

NEW DIGITAL TECHNOLOGIES

SAFE AND CAPABLE:

Developing the capability and managing the

their performance through access to high-quality

wellbeing of our people and enabling

information and fit-for-purpose systems.

New forms of digital technologies may bring into question the reliability of intelligence, establishing proof and evidence of crime.

TALENT

Talent shortages, a gap in workforce skills, the changing nature of the workforce and challenges associated with a smallscale agency delivering specialist capabilities have the potential to impede our strategy execution.

CHANGE

The size and complexity of the CCC transformation program and our ability to adapt to change may lead to delivery risks and reduce the benefits delivered.

REGULATION

Legislation that fails to keep pace with our dynamic operating environment and changing regulatory scrutiny may require changes to our operating model to maintain effective and efficient service delivery.

ACCESSIBLE, ACCOUNTABLE AND **COLLABORATIVE:**

Being accessible and engaging with our community in a meaningful way that demonstrates our accountability and promotes confidence in our functions and the services we provide.

- Strengthen **partnerships** to facilitate coordination and information sharing across agencies and jurisdictions for mutual benefit.
- Ensure effective communication and timely dissemination of information to promote transparency, accountability and confidence.
- Establish greater connection and **new operating** models with government, non-government organisations, private sector and universities to ensure responsible spending, access to specialist capabilities and enhance information sharing.
- Maximise opportunities with our partners to collectively use data and insights in a meaningful way.

Average number of days to finalise a referred crime investigation.

- Develop leadership and management capability to lead change, achieve high performance, and influence
- connection to agency purpose. • Nurture a **safe and healthy workplace** embedding
- a shared responsibility for the physical, psychological and cultural wellbeing of our workforce. • Continue to enhance diversity and inclusion
- initiatives to harness different perspectives and build on our collective strengths.
- Deliver talent attraction and retention initiatives that reflect the changing needs of the workforce and societal expectations.
- Develop workforce capability to meet the operating needs within a complex and evolving working environment.
- Leverage and invest in technology to enhance digital capability and improve system cross-functionality.
- Invest wisely in robust information security measures to stay ahead of potential threats.

Climate Change and Sustainability

PUBLIC CONFIDENCE

Accountability and transparency are critical to the performance of the CCC. Failure to communicate effectively may undermine public confidence.

ECONOMY

Economic instability, anticipated financial implications of a transformational change program, and increasing digital investment may constrain performance.

CONTINUOUS IMPROVEMENT: nticipating and responding effectively to our ynamic and challenging operating environment.
 Redesign service delivery models to maximise our ability to respond to our changing environment. Embed a culture of continuous improvement and innovation to improve performance and maximise our impact. Strengthen change management practices to sustain the benefits of change. Adopt environmental sustainability practices to minimise the impact of our operations on the environment. Continue to implement initiatives from reviews and inquiries to enhance public confidence.
